

Mrs. Geiger's  
April Newsletter-2008

Dear Parents,

We will begin the month of April talking about "transportation and how it helps us in everyday life. We will discuss air, land, and sea transportation. We also will be stressing the importance of wearing seat belts and staying in car seats and being a good traveler.

Later in the month we will be talking about different animals. Children have a special affinity for animals and enjoy learning about them. We hope each child will grow in the understanding that animals have a special place in God's world and that they help us in many ways. We will be studying insects, marine animals, farm animals, backyard animals, pets, zoo and circus animals.

April 10 is Purple Day. We would like each child to bring something purple to Show & Tell and, if possible, wear something purple to help reinforce our color of the month. We will introduce the Spanish color "morado" (more ah doe) and our Spanish word is "La Primavera" (preem ah vair ah) which means Springtime. We are continuing to practice our shapes and colors and some of the children are practicing writing their names.

Many thanks to those of you who helped with the Easter Party and the Holiday Parties throughout the year. We had a wonderful time!!!!!!

We will be conducting evaluations for each child during the month of April. You will be receiving another evaluation paper like the one sent home in February . If you have any questions about the evaluation please let us know.

We had a difficult time coming up with snacks for our class last month. I would like to keep snack on a volunteer basis, but, if we do not get enough items, I will need to assign each parent an item or two to bring each month. Thank you to those who continue to give unselfishly and over and over.

**SPECIAL DAYS TO REMEMBER**

April 10-Purple Show & Tell

April 17 &18 – Rummage Sale & Bake Sale in the Faith Church Parlor

April 24- 3's Spring Picture Day

April 25-Philharmonic Presents Goldilocks at Faith Preschool This is a Friday but the 3 classes may attend with a parent or Guardian
