

Mrs. Geiger's
January Newsletter-2007

Dear Parents,

During the month of January, your child will be discovering the "signs of winter". We will be discussing concepts such as: People wear warm clothes in Winter, some animals hibernate in Winter: Birds and squirrels need people to help them find food in Winter. We also will be discussing animals that live in cold climates.

We will continue to reinforce colors and shapes, and we will be introducing each child to their home addresses. We will be playing games that include opposite concepts such as hot/cold, large/small

Jan. 10 is white day. We are asking each child to wear something white and bring something white to Show & Tell. We also will be introducing the Spanish word for white, which is "blanco". Our Spanish phrase for the month is hace frio. (ah-say free-o), which means it is cold.

Our parent- teacher conference will be held on Friday, February 8. A Schedule will be posted in the hall on the bulletin board. Please sign up for a time convenient for you. Conferences will last approximately 15 minutes. If you are unable to attend on this date, phone conferences are available. Conferences will be held on February 8, only.

Thank you for attending your child's Christmas program. We had a wonderful time and a wonderful turn out.
