

March Newsletter-2008

Dear Parents,

Because the weather is ever-changing during this time of year, we will be using it as our unit of study for the first part of March. We will be talking about the wind, rain, clouds, and rainbows. We also will be talking about the renewal of life in Spring time, and how the flowers start to grow again in the Spring. Our lesson plans include many science experiments having to do with Spring weather.

We also will be enjoying St. Patrick's Day fun. We will be listening to Irish music, learning about shamrocks and leprechauns, and stressing the color green. We will have Green Day on March 13. Each child may bring something green to Show & Tell. We also would like each child to wear something green to reinforce our color of the month. Our Spanish color of the month is "verde". Our Spanish phrase for the month is "Que tiempo hace?" (What is the weather like?).

Registration for Enrollment for the 2008-2009 School Year will be open to the public in March. If you have not signed up your child for next year, please do so soon. The classes fill up very quickly.

We will be having an Easter Party/Egg Hunt on March 20. If you would like to help with donations for our party, please contact our room Mom, Mrs. Schultz-235-9869. We are counting on you to help provide items for our party and for our daily snacks. The success of our Holiday parties depends on the support we receive from the parents. We will need plastic eggs to be hidden and surprises for the inside of the eggs. We also are in need of snacks to eat at our Easter Party We are so thankful for your help

Important Days to Remember:

March 13-Green Day Show & Tell & Wear something Green

March 20 - Easter egg hunt /party

March 21-28 Spring Recess Our first day back will be April 1

Thank You to everyone who helped with the Valentine's Parties. We had a great time!

Until Next Month : Happy St. Patrick's Day! Think Spring! Bonnie Geiger & Joan Grotla
