February 2008

Hello everyone! This month we will be discussing Groundhog's Day, President's Day, and Valentine's Day (my favorite). Our value of the month will be Love of course. We will also talk about having a healthy heart, dental health, the letters D, E, and X, the numbers 0 and 10, the heart shape, the color pink, and junk food.

I would like to remind everyone that the children are working very hard at school on writing their names and I would like for them to also practice at home. This skill is a requirement for kindergarten. If you have any concerns at all please contact me.

We are also working with the children at putting on and taking off coats, hats and gloves. Please practice at home! It can take the class quite a bit of time to prepare for dismissal and that takes time out of our day.

We will be having our Valentine's Day Party on Wednesday 13th. The room mother will be calling parents that signed up to donate items or parents that have signed up to help that day. I am asking for each child that brings in Valentines to simply sign the card with their name and leave the outside of envelope or the from section blank. This will be a lot easier for each child instead of writing the names of 19 schoolmates. We have 19 children in the AM and 19 in the PM classes. Please send in your Valentines the day of the party.

Our field trip this month will be to Marion Lanes for bowling on Friday 15th. Remember there is no school this day. The AM and PM class will attend at the same time, 1pm. There is also an early release this day for those of you who have children that attend Huber Heights City Schools. The cost of the field trip is \$3.00 per child. Please return the attached slip and money by Wed 13th. We hope to see you all there! It will be lots of fun!!!
