

Faith Preschool Summer Program 2007

Zoo Animals: Let's go to the Zoo! Our zoo adventure begins in July with lots of animal activities, and art projects planned. We will hang like monkeys and growl like bears, hiss like a snake, sound like the elephants, and roar like a lion as we explore the life of wild animals.

Science & Math: We will complete many science and math experiments. Your child will learn how to investigate the uniqueness of many different animals. We will find answers by predicting, observing, conducting experiments, collecting and recording data, and then drawing conclusions. Your child will learn so many different things about animals.

Reading is Fun: This program will increase letter recognition, develop phonemic awareness and solidify their alphabetic knowledge. Children will engage in a variety of hands on activities along with art and music to improve their pre-reading and vocabulary skills. Each day, your child will be read a book about animals. They will also be challenged to answer questions and predict what happens at the end of the book. These skills are very important for preschoolers to have before entering Kindergarten.

Additional Activities: Our fun outdoor activities will include soccer, parachute games, bikes, playground play, and water play. Indoor activities include painting, playdoh, coloring, ring toss, beanbag fun, puzzles, library, building blocks, music, puppets, basketball and much more. We will have water play every Friday. The children wear their bathing suit to school and participate in many fun water games.

At the end of each month (July & August), the preschoolers will have an ice cream party with all the yummy sprinkles and toppings imaginable. Each child will also receive a special certificate for attending the summer program and learning so much about animals.

The summer program is geared towards children ages 3-5. We will have 20 children in one classroom (max.) along with a teacher and assistant. Mrs. Stuart and Miss Domi will be the two teachers working with the children this year. We will have class on Mondays, Wednesdays, and Fridays. The morning class is 9:30-12:00. The afternoon class is 12:30-3:00.

1st Session: July 9th - 30th
2nd Session: August 1st - 22nd

Tuition for one session is \$90.00 if paid by June 1st 2007. After June 1st, the tuition is \$100.00 per session. The tuition is due by the first day of the summer program.

We are only accepting 20 children for the morning class and 20 for the afternoon class. **If you are interested in signing your child up for the summer program, please send back the attached form by January 12th. (First come - first serve!)** We will then send home the registration form in February. We hope to see your child here at Faith learning!!!

Faith Preschool Summer Program 2007
