

Faith Preschool Summer Program

Welcome to the Faith Preschool Summer Program!! As parents, you need to know some important information about the program. It is essential to maintain open communication between parents, staff, and children. We want you to feel that you can come to our staff at any time with your questions or concerns. Again, welcome to our summer program. Below is some very important information.

WATER DAYS: Every Friday is “Water Play Day.” This day will be filled with water play activities, indoor and outdoor. Outdoor activities are limited to 30 minutes at a time to keep your child safe while playing out in the sun. When the weather is not appropriate to go outside on a Friday, the outside activities will be replaced with indoor activities. A permission slip is required for water play. Please return by the 1st day of your child’s summer program.

DRESS: Children need to be dressed appropriately for the weather and wear washable clothing. Fridays, the children are to wear their swimsuit to school, & bring a towel. Remember to send in a change of dry clothes in a plastic bag.

SHOES: Children may wear sandals or water shoes on Water Play Days, (Fridays).

WATERPROOF SUNSCREEN: Sunscreen may be applied to children on certain days that their skin could be burned by exposure to the heat/sun while at preschool. A permission slip granting permission for the staff to apply sunscreen needs to be signed and turned in to the director by the first day of school. Sunscreen labeled with your child’s name needs to be sent in and kept at the preschool for the summer program. (30 SPF is recommended)

SAFETY: Each child’s safety is very important to us. We assure you that each child will have plenty of water to drink at all times. Other safety items such as sunglasses and hats are welcome on any day your child comes to preschool. Each child will always be supervised during each activity at the preschool. If you have any safety concerns at all, please speak with the director or teacher.

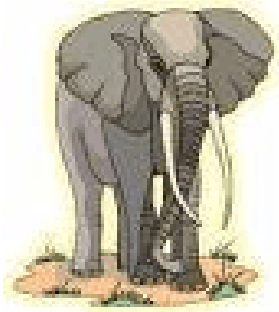

Thank you for giving Faith Preschool the opportunity to give your child a fun and memorable preschool summer experience. Once again, please feel comfortable to speak with the director or the teachers about any concerns or suggestions. 233-4771
