

## February Early 5's Newsletter

Happy February! February will be a diverse month in the Early 5's class. Our country of the month will be France! We will be discussing French landmarks, learning a little bit of French, and trying to perfect our accents! We will also be making some fun Valentine crafts, and playing Candy Heart Bingo. These are just a few of the fun activities we'll be busy doing.

If you have visited, or lived in France, please come share with the Early 5's class. They are an easy crowd to please!

### Regarding Valentines Day:

Your child will have a Valentines party in their Pre-K class with Mrs. Scheiman or Mrs. Shultz. However, if your child would like to make valentines for their friends in the Early 5's Class, I have listed the class names below. We have 10 students in our class, now. To make it easier, I also listed their Pre-K teacher so things aren't so confusing ;)!

Aubrey (Mrs. Scheiman)  
Eve (Mrs. Scheiman)  
Jacob E. (Mrs. Scheiman)  
Kaylee (Mrs. Scheiman)

Charlie (Mrs. Shultz)  
Colin (Mrs. Shultz)  
Hannah (Mrs. Shultz)  
Madison (Mrs. Shultz)  
Seth (Mrs. Shultz)  
Victoria (Mrs. Shultz)

We are continuing to make progress with our workbooks. The students are each working at their own pace, and seem to be enjoying the activities.

I appreciate your child, and the uniqueness s/he brings to the classroom. Please let me know if you have questions or concerns.

Thanks for your support,

Mrs. Nelson
