

Early 5's October Newsletter

Hello! We had a great time in the Early 5's Class during the month of September. Thank you for sharing your child with me. I have enjoyed getting to know each one. They are a blessing!

There are 8 students enrolled in this class, and that allows for a lot of student participation, and I am able to work one-on-one with each student. I look forward to another month of learning...and fun.

We have a lot of fun things planned for October. We'll be making paper mache pumpkins, and learning a lot about our country of the month: Mexico. We'll be baking cookies, and even making "stained glass." I have an open-door policy, and if you ever want to come hang out with us, come on in! Or, if you have ever visited Mexico, and would like to come share, please let me know.

Country: Mexico

October letters: F, P, H, O

Number: 5

Please continue to have your child practice writing their name at home (lower case letters, for all but first letter). I have found, with my own children, that wax paper and dry erase markers makes it less painful :). The more writing and cutting your child does, the better, and will make them that much more confident when they go to kindergarten next year.

We will not be having a "Harvest Party" for this class, as each student will participate in that in their Pre-K class.

Have a great October! If you have any questions or concerns, please come and ask.

God bless,

Mrs. Nelson
