

Mrs. Scheiman's Newsletter January 2010

Welcome back from winter break! I hope everyone had a wonderful holiday. Thank you so much to everyone who attended our Christmas program. The children did a wonderful job! Thanks also to those of you who continue to donate items to our classroom. We appreciate your generosity.

This month we will be focusing on the letters N, J and W, and the numbers 1 and 2. Our shape will be the rectangle and our colors will be blue and white. Our value of the month will be gentleness and the bible verse will be Philippians 4:5, "Let your gentleness be evident to all".

In addition to our class work, we will be having some fun activities this month. We will have a blue and white show-n-tell day. We will be talking about solids and liquids and doing a science demonstration to illustrate the differences. Finally, we will have a Hibernation Day during which we will talk about how some animals sleep throughout the winter months. On that day, we would love to have everyone wear their favorite pajamas and bring their teddy bears in a brown paper bag. All of the bears will "hibernate" together and we will open them during story time to share with the rest of the class.

As always, thanks to everyone for your continued support. If you have any questions or concerns, please don't hesitate to contact me.
