

April 2010 Newsletter
Mrs. Shultz & Mrs. Bellinger

It is hard to believe that April is upon us already. This year is flying by so quickly! We would like to thank all of you who planned and donated items for our Easter celebration! We would not be able to do this without your support.

This month we will discuss animals: pets, zoo animals, farm animals and circus animals. We will also talk about caterpillars and butterflies. Our shape of the month is the oval. Purple is the color of the month: **Purple Show and Tell day is Tuesday, April 20th**. Please allow your child to bring in one item to share with the class on this day.

On Thursday, April 22nd, we will have a special visitor coming from Five Rivers Metro Park. She will bring along some animal friends that are native to Ohio. I hope the kiddos will enjoy this 😊

Spring pictures will be taken on **Thursday, April 29th**. More information will come as we get closer to this date. I will make sure that we do not have messy art on this day.

The preschool's annual rummage sale will be on **April 22nd & 23rd**. Come take a look and see what great deals you can find! We will also be accepting donations to be sold @ the sale.

Have a great April!!!
