December 2009 Newsletter

Wow! I cannot believe that Christmas is sneaking up on us so quickly! We have a short month and will be putting a lot of hard work into our upcoming Christmas program. I would like to thank all of you for coming out to our family night. It is always so nice to meet the whole family!

I would also like to thank all of you who donated canned goods to the church's food pantry. The pastor was very surprised when we presented these to him. It is very touching that we have so many caring families amongst us!

This month we will be talking about the meaning of Christmas, giving & receiving, the color green, and the star shape. We will have green day show and tell on Tuesday, Dec. 8<sup>th</sup>. Please have your child wear something green to reinforce our color and they may bring in 1 item to share with the class.

We will have our Christmas Program on Thursday, Dec. 17<sup>th</sup>. The program will start promptly @ 11a.m. and will last approx. 10 minutes. Please be on time so that you do not miss it! We will have an early release after the program is completed. We will have refreshments for your families to enjoy. We are asking that each family send in 1 dozen home-baked Christmas cookies to share that day. (If they will keep, it would be great to have them in by the 15<sup>th</sup>.)

As the winter season quickly approaches, please be aware that we will follow Huber Heights Schools delay schedule. If they have a 2 hr. delay, we will not hold our AM classes. If they are closed, we will be as well.

Miss Thomas and I would like to wish you all a safe and happy holiday filled with Christ's love.

Mrs. Shultz
