

February 2010 Newsletter
Mrs. Shultz & Mrs. Lewis

Hi all! I hope that February finds all of your families healthy and looking toward warmer weather! I will begin assessing your children again very soon. If you have not already returned the assessment card, please do so as soon as possible. We will have conferences on Friday, March 12th - please save the date on your calendars. I will have a sign up sheet in the lobby toward the end of February.

As many of you know, we focus on a Christian value each month. This month's value is love. Our bible verse is from John 13:34 "As I have loved you, so you must love one another." This verse is so perfect for what is going on in our world right now! We would like to show our love for Haiti by collecting spare change for the people that have been devastated by the earthquakes. We will be collecting change until the end of May and then will donate the money to the Red Cross.

Our color of the month is **pink**. We will have Pink Day Show and Tell on February 9th. Please have your child bring in an item that has pink on it (and fits in their school bag). Also if they would like to wear something pink, this is very reinforcing.

We will have a Valentine's Day party on Thursday, February 11th. Our room parents will be contacting you if you have signed up to donate items for parties. We will exchange Valentine's that day. Please help your children sign their names to each Valentine. We currently have 19 children in our class.

We will have a special visitor coming into our classroom on Thursday the 23rd. A dental hygienist from Dr. Kondas' office in Huber Heights will visit and talk to the kiddos about dental health. We are very excited about this!

Last but not least, thank you all for your generous donations to our classroom! We appreciate all the support that your families give to our school!

Have a great month!
Mrs. Shultz & Mrs. Lewis
