

February 2010
Mrs. Shultz & Mrs. Bellinger

Happy February!

I will begin assessing each of your children over the next month. As a reminder, conferences will be held on Friday, March 12th. Please save the date on your calendars. I will have a sign up sheet for time slots at the beginning of March. It is very important that I talk with each of you as Kindergarten screenings are fast approaching and I would like to give you an idea of where your child is academically thus far.

Our February focus includes:

Letters: D, E, Z

Numbers: 0, 10

Shape: heart

Color: pink...**Our show 'n tell day is on Monday, Feb. 8th**

Sight words: pink, was, for, on

Christian value: love...**"As I have loved you, so you must love one another."** John 13:34

We will also discuss Groundhog's Day, President's Day, Valentine's Day, junk food, healthy hearts, and dental health.

We will have a Valentine's party on Friday, Feb. 12th. Our room mother will be contacting you if you have volunteered to donate items. The children **will** be exchanging Valentine's. Please have/help your child sign their name to each Valentine - please **do not** address these to individual students - this will help us in the distribution process! We currently have 16 children in our class.

As a reminder, we will not have school on Monday, February 15th in observance of President's Day. Enjoy your day with your families!

We have a special visitor coming on Friday, February 26th. One of the dental hygienist from Dr. Kondas's office in Huber Heights has made time to come in and talk to our class about dental health☺

We will be collecting change for Haiti until the end of May. All donations received will be given to the Red Cross. Thanks as always for the support your family shows to our preschool. Mrs. Bellinger and I feel very blessed to be a part of your children's lives☺
