A program for the "Whole Child."

Faith Preschool is a non-profit organization.

Founded in 1977.

Our last month together!!

May is an exciting month! This month you can expect to receive a newsletter from your child's teacher highlighting important dates and topics for the month. Mark your calendars!

Christian Values:

We strongly believe in teaching children about Jesus Christ. We want all children to experience God's love at preschool.

Each day your child will have daily prayer, and be taught a monthly Christian value. May's Christian Value is "**Patience.**"

We encourage you to help your child learn the verse this month and talk about the monthly Christian value. **Children that tell Mrs. Feagle their verse will receive a special surprise from her treasure box!** So Practice, practice!!

"...Be patient, bearing with one another in love."

Ephesians 4:2

Bonnie Geiger is the lead teacher for one of the three-year-old classes at Faith Preschool. She has been teaching preschoolers for 27 years. Twenty-one of those years have been at Faith Preschool. Mrs. Geiger holds a Bachelor of Science degree from Wright State University with a specialty in Spanish Education.

"The three-year-olds are taught through many songs and art activities, stories and learning games. The look of joy on the faces of young preschoolers when they learn something for the first time is so exciting, and the reason why I continue to teach the three-year-olds here at Faith Preschool."

JOAN GROTTLA is the teacher assistant for Mrs. Geiger's three-year-old class. She has a Bachelors[€]™ Degree in Recreation Services. Mrs. Grottla has spent ten years working with people with special needs, teaching educational classes and recreational activities. "I am very excited about working with the children at Faith Preschool!"

Christina Domi is the lead teacher for one of the three-year-old classes. She has many years of experience working with young children. "I am so excited to see the children learn and grow this year. I am thankful to be apart of their education and look forward to another wonderful year." Mrs. Domi will be here again in the fall as a teacher assistant for Mrs. Shultz.

Teresa Scheiman is the lead teacher for one of our four-year-old classes at Faith Preschool. She graduated from Fairborn High School and holds a B.S. from Wright State University. As an at-home mom, teaching was a natural progression for her when her son became old enough to attend elementary school. Her experience includes seven years as a substitute teacher in Huber Heights City Schools and worked as an intervention tutor in Fairborn City Schools. Mrs. Scheiman says, "The students here at Faith are a joy. I look forward to seeing their faces every morning and watching them grow as we explore new concepts. I see the classroom as an opportunity for everyone, including me, to learn and grow. I truly believe I learn as much from the children as they do from me. They've taught me to live in the moment and enjoy each day as it unfolds. They also remind me of the great joy there is in learning, no matter what your age! I appreciate your faith in me and the opportunity you've given me to work with your children."

Mallory Tolle is the teacher assistant for Mrs. Scheiman's four-year-old class. Ms. Tolle attends Sinclair Community College and is working towards a degree in Early Childhood Education. Ms. Tolle says, "I love working with children. Everyday at Faith Preschool brings some new and exciting experience to my life as well as to the students. It is such a joy to watch the kids develop and explore. What I look forward to the most is developing a special relationship with each child in class and providing them with the gift of being able to learn. Thank you for the opportunity to work with your children."

Karla Shultz is the lead teacher for one of our four-year-old classes. She has six years of experience working with preschoolers. She holds an associate degree from Lima Technical College. Mrs. Shultz says, "The children here at Faith have always given me a great deal of joy. They are always eager to learn and try new things! I am dedicated to giving your preschoolers all of the tools they need to succeed in Kindergarten. Thank you for giving me the opportunity to work with your child." Mrs. Shultz will be here in the fall to teach one of our four-year-old classes.

Note from Mrs. Feagle:

Dear Faith Families,

I have really enjoyed the children as well as the families this year. I promised earlier this year to insure your child would receive the best educational experience that we could give. Our staff was very dedicated to teaching your children not only academics and socialization, but also about God's love. I would like to thank you for working together as a team with us. Thank you for your support and believing in Faith Preschool and in me. Thank you to all the teachers for your dedication and true passion in working with our children. As school is coming to an end, I hope everyone will have a great, fun-filled summer. Stay in touch!

God Bless,

Amy Feagle
Administrator

Thank you families for your donations and support this year. Faith preschool staff really appreciates the "kindness" that so many people have shown.

Here is a song we will be singing with the children during the month of May:

Patience, Patience, I Need YOU

(Sung to: "Twinkle, Twinkle, Little Star")

Patience, patience, I need you.

How I wonder what to do.

Sit right down and twiddle my thumbs,

Tap my toe or sit and hum.

Patience, patience, I need you.

How I wonder what to do.

For the Lord I will be strong,

Even if the wait is long.

With some patience I'll be bright.

I won't grumble, I won't fight.

Patience, patience, I need you.

Now I know just what to do.
